Application Number: DC/17/2534

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: George Corfield

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby REFUSE to permit the works specified hereunder, that is to say:

Full application for a 5 pitch proposed site for settled gypsy accommodation

Land Rear of Millers Mead Nuthurst Street Nuthurst Horsham

as shown on Plan and Application Number DC/17/2534 submitted to the Council on 10/11/2017. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

- 1 The proposed development and associated access, by reason of its layout, scale, siting and design, would fail to integrate into the immediate landscape and would represent a harmful urbanising form of development, out of keeping with and detrimental to the rural character and appearance of the site. The proposal would therefore be contrary to policies 2, 23, 25, 26, 31, 32 and 33 of the Horsham District Planning Framework (2015), and policy 10 of the Nuthurst Neighbourhood Plan (2015).
- 2 The proposed development, by virtue of the level of intensification across the site and the backland setting relative to neighbouring residential boundaries and properties, and arising as a result of increased vehicular movements, would result in significant harm to residential amenity, contrary to policies 23 and 33 of the Horsham District Planning Framework (2015).
- 3 The application is accompanied by inadequate information relating to the trips generated by the development and to demonstrate that the proposed access is safe and suitable for vehicular and pedestrian use. The proposal is therefore contrary to Policies 23 and 40 of the Horsham District Planning Framework (2015).

Note To Applicant:

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.
