## In the know Surrey and Sussex

## Public Health England Cold Alert Level 3

Now until 09:00 9<sup>th</sup> February Public Health England has declared a Level 3 Cold Alert. Please check on vulnerable relatives, friends and neighbours.

There is a 90% probability of severe cold weather, icy conditions and snow between 0900 on Sunday 04 Feb and 0900 on Friday 09 Feb in parts of England. This weather could increase the health risks to vulnerable patients and disrupt the delivery of services.

This means the trigger criteria will be met for low average temperatures during this week. Scattered sleet and snow showers are likely at times, in Sussex.

Please refer to the national Cold Weather Plan and your organisations emergency plan for appropriate preventive action.

# Your opinion counts

Please Help Us By Providing Feedback

Q: Do you manage CCTV around your registered address?

(Answering Yes will add you to the national CCTV register. Your details are never shared outside the system but local police will be able to contact you if they need CCTV coverage around your location. You can come off this register at any time and you are not making a commitment to provide footage or maintain your system.)

Please click the answer below that most closely represents your opinion

<u>Yes</u>			
<u>No</u>			

### You previously said

No
